**October 2-4, 2018**

The Ranch at Laguna Beach  
Laguna Beach, CA

# Developing the next generation of leaders

## SPONSORED BY INSTITUTIONAL REAL ESTATE, INC.

**IREI Springboard** is not a conference but rather an intimate, exclusive invitation-only gathering of the brightest leaders in the institutional real estate community. The event is designed as an open forum that serves as a catalyst for mentoring, educating and cultivating leadership skills. **IREI Springboard** leaders will have the opportunity to learn from the brightest, most trusted minds in the industry. **IREI Springboard** is an opportunity to recognize the up-and-coming people in your organization — particularly the ones you would select to groom for assuming greater responsibilities in your organization down the road.

## PROGRAM

The program is cast as a “think-tank” environment, balanced with networking activities designed to help **IREI Springboard** leaders build career-long relationships with their peers. **IREI Springboard** leaders have the unique opportunity to have candid discussions with high-caliber mentors through an open forum discussion and peer-to-peer group sessions. The agenda and topics discussed are set by the attendees prior to the event through a food for thought piece, which surveys the **IREI Springboard** leaders on the topics and questions they would like to address with their peers and mentors at the forum.

## RECOGNITION

The **2018 IREI Springboard** leaders and their firms will be recognized in our monthly flagship publication *Institutional Real Estate Americas*, as well as distributed through *Institutional Real Estate Newslines*, our premium news alerts, and posted on our website. The editorial piece will also be displayed prominently at Institutional Real Estate, Inc.’s *2019 VIP Americas* conference.
