

REALASSETS ADVISER

The magazine written for registered investment advisers and wealth managers seeking insights and actionable information on investments in real assets

H1 2019 Editorial Calendar

January

The 411 on 1031s

Capital gains taxes can devour the gross returns from a successful investment, but a properly executed 1031 Exchange can offer investors shelter from a big tax hit, as well as an opportunity to reinvest proceeds in a new asset. What's more, new legislation has reinvigorated the 1031 and encouraged more investors to take advantage.

Cannabis legitimized

The legal marijuana market is maturing and creating ever-greater investment opportunities.

March

Liquid alternatives flood the market

The aversion among investors and advisers to using alternatives is often rooted in the lockup period required. But new product structures that make alternatives liquid are changing the game by giving investors the ability to retrieve their cash when desirable and necessary.

Bang for the buck

A look at the alternative assets classes that are delivering the highest returns.
